## Biographical/Historical note

---

The Hessel Collection Artist Files is comprised of various materials collected regarding artists represented in the Marieluise Hessel Collection of Contemporary Art, the principal resident collection of CCS Bard for over two decades. The Hessel Collection is international in scope, encompassing a wide range of media from the 1960s to the present, with representative works of major contemporary art movements including Minimalism, Arte Povera, Transavantgarde, Neo-expressionism, Pattern and Decoration, The Hairy Who and Chicago Imagists, Post-minimalists, and New Media, among others. The primary provenance for the artist files is Marieluise Hessel, who has generously contributed material to the artist files on a regular basis since they were established.
